International Student Admissions Policy

- Excelsior School is authorized under federal laws to enroll nonimmigrant alien students who are citizens of countries other than the United States.
- The tuition and fees are posted on the school's website <https://excelsiorschool.com/admissions/#tuition>.
- The School is unable to provide financial aid to international students; therefore, international students must have sufficient funds to cover all living expenses, tuition, and fees while attending the School.
- School dormitories are available for all students to apply. However, school dormitories only have limited spaces. School dormitories are on a first come first serve basis. Students are encouraged to apply to school dormitories as early as possible.
- Students are required to maintain a minimum of 2.0 GPA in order to stay in the program. Students who receive a "D" or "F" grade of a class need to retake the class in summer.
- For any reason, a student's enrollment is terminated, or student is either voluntarily or involuntarily withdrawn from the School, international students will not be entitled to any refund.
- Int'l students will be required to settle \$3,500USD of the space reserve fee before the I-20 can be issued. Space reservation fee is nonrefundable, except visa is denied. If the applicant's visa was denied, the school would refund \$3,000USD to the applicant after the original I-20 and other admission documents are returned to the School. No reimbursement will be made without the return of the original I-20 (within 90 days after visa is denied) and all other admission documents. Students need to bank wire the remainder tuition balance to Excelsior School within 5 days, after the F-1 visa is granted.
- Providing any false, misleading, or inaccurate information may result in severe consequences, including the denial of admission, withdrawal of any offers or scholarships, and potential legal action.
- Students must complete a minimum of one academic year before transferring to another school, if students wish to transfer to other schools.
- Tuition of a full academic year must be paid in full, prior to student's attendance. Tuition cannot be prorated.
